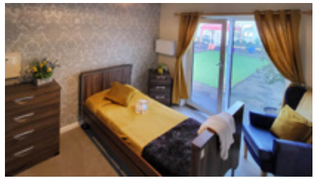
Nursing Care

At the Mulberry Community, we have established an excellent reputation for our nursing care facilities.

We have a dedicated team of highly qualified care staff who are on hand 24 hours a day to provide nursing and personal care. We tailor the care we provide to the individual needs of each and every one of our clients.

Family and friends will always be made welcome, and are encouraged to visit, whether to stay for a meal or just spend time together.



Conditions we consider for referral:

- Acquired and Traumatic Brain Injury (ABI/TBI)
- Epilepsy
- Stroke (CVI)
- Multiple Sclerosis
- Parkinson's Disease
- Pick's Disease
- Huntington's Disease
- Korsakoff's Syndrome
- Brain Tumour
- Alzheimer's
- Vascular Dementia
- Locked-in Syndrome
- Respite Care
- Nursing Care

"I have found the staff to be really helpful and caring and always willing to talk if you have any concerns"

✓ Regularly reviewed and personalised care plans

✓ Warm & friendly atmosphere

✓ No restrictions on visiting times

The Mulberry Community

At The Mulberry Community we provide a warm and friendly environment for long term support, permanent care, respite or re-enablement before moving to supported living.

Mulberry House and Southdowns are located in a quiet residential area of St Leonards, East Sussex and both homes are set in lovely grounds not far from the seafront, and Cavell House is less than 10-minute-walk from the Shoreham seafront in West Sussex.

Our Ethos

We are passionate about the service we provide and caring for our clients at all stages of life. We are committed to providing the very best care and we recognise that our clients require varying levels of support. We are able to tailor the care we provide to the individual needs of each and every one of our clients.

Infection Control

The Mulberry Community recognises its responsibilities and clearly communicates the safe working practices required for infection prevention and control to all staff.

The Mulberry Community is committed to minimising the risk of infection to our homes by ensuring good standards of basic hygiene and applying universal infection control procedures.

The Mulberry Community achieves this through a robust risk assessment process, implementation of effective controls and the provision of PPE, appropriate training and equipment to all staff and visitors.

Our Facilities

✓ Comfortable rooms with Nurse Call System

✓ Choice of tastefully decorated and comfortable communal areas

✓ Quality furnishings and decor throughout the home

✓ Wi-Fi available throughout the home

✓ Comprehensive selection of moving and handling equipment

✓ Profiling beds with safety rails are available whenever required

✓ Wide range of pressure relieving mattresses and cushions

✓ Bath and shower facilities suitable for all clients' needs

✓ Attractive and accessible gardens.

Clients' Wellbeing

With the beach and town centre so close, we encourage our clients to make the most of the lovely surroundings. Outings and visits are enjoyed to the seafront, theatre and restaurants.

To encourage our clients to maintain independence and enjoy life to the full our well being team support them in pursuing their hobbies, recreational activities and interests. There is a breakfast club, film afternoons, picnics, scrabble, skittles, quizzes and entertainers visit the home.

Regular visits from a range of services are arranged to suit our clients including opticians, physiotherapists, speech and language therapists and chiropodists. These visits are complemented by close contact with local GPs and other medical service providers.
